Dear Sir or Madam,

We hope this letter finds you in good health during this early autumn season.

We would like to express our sincere gratitude for your continued support and patronage of our association.

We are pleased to announce that the 12th Asia Montessori Conference – Okinawa will be held from Monday, 20 July to Wednesday, 22 July 2026. This event has been made possible through the generous support of all of you, for which we are deeply thankful.

Educators, researchers, and childcare professionals involved in Montessori education from across Japan and various Asian countries will gather for this conference. Under the theme “Peace Through Coexistence and Compassion (Yui-māru)”, participants will engage in discussions on children’s education and learning environments, with the aim of translating these insights into practical applications.

In order to ensure the successful and enriching operation of the conference, we kindly request your support through advertising cooperation. The names of all supporters will be acknowledged in the official conference booklet.

We sincerely hope for your understanding and generous support of this initiative.

Yours sincerely.
